

ADFORS NOVELIO®

Paintable wallcoverings

DECORATION

 **ADFORS**
micro-estilo

YOUR PARTNER FOR INNOVATIVE TEXTILES

Novello® Decoration, unique, decorative paintable wallcoverings

Novello® Decoration offers a wide selection of products of original patterns and with a high quality of finish – Ideal for new buildings and renovation. It brings to the end-user all the benefits of the glass fibre: lasting protection of the wall against abrasion, impact and visible cracks.

With mineral finish original pattern with two-tone finish can be obtained with one coat of paint while improving at the same time indoor air quality thanks to the addition of CleanAir technology into the product.

A brand of Saint-Gobain ADFORS

Novello® is produced by Saint-Gobain ADFORS. We are global leader in the development and production of reinforcement fabrics for the construction industry. Our innovative glass fibreweaving technology enables us to manufacture unique products and tailor made solutions. We always care about the environment and our health.
